

New! Specialty Mop Heads

Product Usage

The Medium Microfiber Wet Mop is excellent for any general mopping need. Unlike traditional mop heads, the microfiber is able to lift and lock more microbes and bacteria.

The Large Antibacterial Looped-End Wet Mop works well in any general cleaning applications. Its odor-resisting agent prevents mold and mildew development in the mop.

#2121

#2122

#2121 Medium Microfiber Wet Mop

- Premium microfiber lifts and locks dirt.
- Looped-end with 1/2" tail band, to provide more durability and will not tangle.
- 10 oz. actual weight but the equivalent to a 24 oz. head.
- Machine washable and reusable.
- Excellent for general cleaning, with frequent washings.
- The ultimate cleaning performance mop head.
- Works with #981 and #983 mop handles.

Mop Head Length	16"	Tailband Length	16"
Headband Length	6.25"		

#2122 Large Antibacterial Looped-End Wet Mop

- 4-ply, recycled anti-bacterial cotton blended yarn.
- Looped-end 1/2" tail band, to provide more durability and will not tangle.
- Resists odor causing bacteria.
- Picks up to 5-7 times its weight in water and wrings out easily.
- Machine washable and reusable.
- Works with #981 and #983 mop handles.

Mop Head Length	17"	Tailband Length	16"
Headband Length	6"
