1166	Lobby Broom & Dust Pan Clip Replacement	12	0.65	11.60 x 7.90 x 2.50

Product Usage

For all mobile cleaning needs. Both open and closed pan versions collect ample debris. The closed version is best suited when debris needs to be concealed from others, such as in restaurants, hotels, and amusements parks.

#919 & #1194 (Deluxe) Lobby Broom and Dust Pan (Open Lid)

Sweeping Width	10"	Hanger Hole	.75" x .5"
Broom Block Width	7.75"	Fiber Diameter	.7 mm

Broom Fibers

- Split tip polymer stapled fibers for longer life
- Flagging allows the broom to cover more surface area and remove more debris from the floor
- Fibers made of recycled PET polymers

Broom Head

- Solid propylene injection molded block for durability and hygiene
- Stiffer and wider than most lobby brooms

Broom and Dust Pan Handles

- Lobby Broom handle .75" x 38" with 5" handle grip and hanger hole for easy storage
- .0135" steel thickness
- Dust pan handle 1" diameter
- Electrostatic powder coated steel handle with nylon thread
- Paint forms to any handle dings and will not chip
- Iron phosphate conversion coating prevents rust if handle is scratched
- Durable injection molded nylon thread, engineered to fit tightly into the block

Dust Pan

- Solid injection molded components
- Non-breakable polypropylene
- Built-in tilt allows user to leave open
- Molded teeth easily remove debris from broom fibers
- Ships fully assembled
