

New! Industrial Heavy-Duty Floor Scrub

#1576

Heavy-Duty flexible brace swivels to maintain 100% surface contact at ANY angle

Product Usage

For all floor scrubbing applications including tough floor scrubbing jobs and hard to reach wall scrubbing jobs. This tool is great for various tough applications and is very versatile in its use. The floor scrub maintains 100% surface contact at any angle due to its Heavy-Duty flexible brace and its large scrubbing surface.
