

#1887 PRO-GRADE MICROFIBER SPIN MOP® SYSTEM

Convenient all-in-one mopping system. The only spin mop which every component but the microfiber mop head is Made in the USA.

Product Features:

NEW!

Electrostatic powder coated steel handle with LLDPE molded hanger tip.

Polypropylene corrosion resistant bucket and spinning chamber molded to shoot excess water into bucket.

Precision molded and impact resistant lower handle made from fiberglass reinforced nylon.

Machine washable microfiber mop head.

Consumer Benefits:

- All-in-one mop kit.
- More absorbent (30% more) and wrings out more water (almost 2 times more) than the leading brand.
- Comes with microfiber mop head.
- Push handle down once for a damp mop or more times for a drier mop.
- Better wringing mechanism for faster drying times.
- Safe on hardwood floors.

I am very particular about the cleanliness of my floors and have tried so many different mops. So glad I found this mop! It's amazing. Highly recommend!
